Drive components bring comfort and make everyday life easier

Accessories and aids are omnipresent. They make everyday life easier, and hardly anyone cares about the technology behind them. Nozag cares and stands behind this, because usually very **sophisticated drive technologies** make everyday life easier.

Drive components for relaxed air travel

Air travel is a source of joy! But will the luggage really arrive? Nozag supports a concept study with the ALL-IN ball screw unit to modernize conveyor belts. To load and unload containers, the personnel can simply position the belt at the push of a button.

Change an entire beverage range at the touch of a button

In restaurants there is often a lack of space for drinks, crockery and the like. An easy exchange of daytime and evening operation is highly desirable. A change-over unit was implemented, which is controlled by screw jacks.
