

Corrosion-resistant drive elements for increased requirements and special situations

Do you have requirements for corrosion resistance? Thanks to the extensive Nozag range "The Diamond Line" you can now convert complete drive systems into stainless steel. This means that you do not have to do without quality products from Nozag when faced with increased demands from the food, chemical or pharmaceutical industries, you do not have to do without quality products from Nozag. Hygienic requirements as well as resistance to aggressive substances and influences are met, as well as optimum protection for outdoor applications.

INOX products at Nozag

Worm gears

- Housing AISI 304 or AISI 316 housing
- Efficiency 98 / 95 %.
- Reduction ratios 10 / 15 / 20 / 30 / 100 / 150 / 300
- Maximum torque from 130 to 200Nm

[More details www.nozag.ch](http://www.nozag.ch)

Bevel gearboxes

- Housing AISI 304 or AISI 316
- Size 54 / 86 / 110
- Reduction ratios 1:1, 1:1.5, 1:2 and 1:4

[More details www.nozag.ch](http://www.nozag.ch)

Screw jacks

- Worm gear screw jack "Gold" – or extreme environmental and Operating influences
- Material CuAL10FeNi5
- All spindles/shaft are made of stainless steel
- Excellent in use under the influence of gases, Liquids and solids

[More details www.nozag.ch](http://www.nozag.ch)

Timing pulleys

- Material AISI 304 or AISI 316
- Pitch T5 / T10 and AT5 / AT10
- Execution:
 - Finished bore, keyway
 - Screw holes
 - Taper clamping bush

[More details www.nozag.ch](http://www.nozag.ch)

Chains

- Material AISI 304 or AISI 316
- Single roller chains
- Duplex roller chains

[More details www.nozag.ch](http://www.nozag.ch)

Sprockets

- Material AISI 304 or AISI 316
- Surface quality > 80 GU
- Various versions

[More details www.nozag.ch](http://www.nozag.ch)

Slide rails

- AISI 304 stainless steel bracket guides
- Version no food contact
- Version with food contact

[More details www.nozag.ch](http://www.nozag.ch)

Couplings

- Cylindrical body in AISI 304 or AISI 316
- Surface quality > 80 GU
- Sizes GE-T 09 / 14 / 24 / 28 / 38 and 45 SGSS
- Star yellow / red / blue

[More details www.nozag.ch](http://www.nozag.ch)

Pedestal bearings

- Material AISI 304
- Bearing AISI 420

[More details www.nozag.ch](http://www.nozag.ch)

Clamping sets

- Material AISI 304 or AISI 316
- RCK series
