## Drive solutions – Nozag is your ideal partner

From development and manufacturing, through assembly, testing and up to drive solution prototypes – Nozag is your trustful partner. We offer you a comprehensive range of standard components, as well as customer-specific adaptations and customized drive solutions. Thanks to over 50 years of experience, Swiss quality and a wide products range, you will always find the ideal solution for your needs.

### Compact spring sensor device for trade fairs

A presentation model of the Schmid spring factory is operated with a NSE5-SL worm gear screw jack from Nozag. Thanks to the compact design of the gearbox, it is possible to demonstrate at trade fairs how innovative technology can be used to monitor a spring in operation.
